1. In references given by subjects — question 30, PRQ Part I referenced above — there is an indication of what might possibly be a lateral tie between these two agents in the KIBITZ-15 Net. Frau STEUERWALD is given as reference for both; however, KIBITZ-256 lists her Frau STEUERWALD as living in Albisheim — while KIBITZ-261 lists her Frau STEUERWALD as living in Gauersheim. The towns are quite close to each other and there is a possibility that both STEUERWALDS are in the same family.

2. This is another indication (see EGFA-275) of close ties between the various people working under KIBITZ-15.

3. An attempt will be made to determine the connection, if any, between the STEUERWALDS mentioned above and KIBITZERS 256 and 261.
